Session 2a Feedback Form

TM-002 (T.M.) | Session 2a: Oct 16, 2026 | Please complete before our next session | Be honest — no right or wrong answers

SECTION 1: OVERALL STATUS

Since our last session, overall I feel:

Much Worse | Somewhat Worse | About the Same | Somewhat Better | Much Better

In your own words, what has changed (if anything)?

SECTION 2: EMOTIONAL + ANXIETY UPDATE

Rate each area on a scale of 1 to 10. Use the same definitions from our session.

MEASURE	SCALE	YOUR RATING
Self-Esteem	1 = no value in who I am ... 10 = confident and worthy	___/10
Assertiveness	1 = cannot speak up ... 10 = comfortably express needs	___/10
Anxiety (calm)	1 = anxiety runs the show ... 10 = calm and in control	___/10
Trust	1 = guard always up ... 10 = open with chosen people	___/10
Comfort in Own Skin	1 = deeply uncomfortable ... 10 = at ease and at home	___/10
Influence of the Past	1 = past controls everything ... 10 = aware but free	___/10

Which area feels most different since our session?

SECTION 3: HOMEWORK PRACTICE

For each practice, check how consistently you used it since our session.

PRACTICE	DID NOT TRY	TRIED ONCE	A FEW TIMES	MOST DAYS	EVERY DAY
Tribe visualization before sleep	[ ]	[ ]	[ ]	[ ]	[ ]
Thumb-forefinger anchor (right hand)	[ ]	[ ]	[ ]	[ ]	[ ]
Rescuer-helper reframe (when triggered)	[ ]	[ ]	[ ]	[ ]	[ ]
Observing thoughts without reacting	[ ]	[ ]	[ ]	[ ]	[ ]

Which practice was easiest? Which was hardest? Why?

SECTION 4: THE ANCHOR

When you press your thumb and forefinger together (right hand), what happens?

- [ ] I feel the steadiness / protection return
- [ ] I feel something but it is faint
- [ ] I do not feel much yet
- [ ] I have not tried it

Describe a specific moment when you used the anchor. What was happening? What did it feel like?

SECTION 5: TRIGGERS + REACTIONS

Check any that apply, and add details.

☐ **A triggering situation happened** (disrespect, confrontation, difficult person)

What happened? How did you respond differently (if at all)?

☐ **I noticed the rescuer-helper frame activate** (saw someone's anger as their struggle)

Describe:

☐ **I caught myself self-labeling** (calling myself "asshole", "judgmental", etc.)

What did you do when you noticed it?

☐ **Moments of unexpected steadiness or calm**

When? What were you doing?

☐ **The "armor/shield" feeling from our session returned**

When? How strong (1-10)?

SECTION 6: DREAMS

Note any dreams you remember. Vivid or unusual dreams are normal after a session — your subconscious is processing.

DAY	DREAM? (Y/N)	BRIEF DESCRIPTION (KEYWORDS ARE FINE)
Day 1		
Day 2		
Day 3		
Day 4		
Day 5		
Day 6		
Day 7		

Did the fighting/revenge nightmares change at all?

SECTION 7: QUESTIONS FOR NEXT SESSION

Write down anything you want to ask or discuss:

Is there anything from our last session you want to revisit or go deeper into?

SECTION 8: READINESS

How ready do you feel for our next session?

1 2 3 4 5

Not Ready — Uneasy — Neutral — Ready — Very Ready

If less than 4, what would help you feel more ready?
