Important Disclosures

- Not a licensed healthcare provider.** I am not a licensed physician, psychologist, psychiatrist, marriage and family therapist, licensed clinical social worker, or any other type of licensed healthcare provider. I do not diagnose, treat, or prescribe for any medical or mental health condition.
- Hypnotherapy services** are provided for vocational and avocational self-improvement purposes under California Business and Professions Code §2908.
- Services are not a substitute** for medical treatment, psychological therapy, or psychiatric care. If you have a medical or mental health condition, you should consult with an appropriately licensed healthcare provider.
- No guarantees of outcomes.** While clinical research supports hypnotherapy for various concerns including sleep improvement, individual results vary based on suggestibility, compliance, and overall health.
- Therapeutic exclusions.** Clients currently taking anti-depressant, anti-psychotic, or anti-anxiety medications, or those with active psychiatric conditions, history of psychosis, or suicidal ideation, should work with a licensed mental health professional. I will provide appropriate referrals.
- Right to refuse or discontinue.** You have the right to refuse or discontinue services at any time without obligation.
- Confidentiality.** All session content and personal information is kept confidential, consistent with HIPAA Privacy Rule (45 CFR §§160, 164) and California law, except where disclosure is required by law (e.g., imminent danger to self or others, abuse of a minor or elder).
