SESSION RECORDING CONSENT & AUTHORIZATION

Client Name:	Deepak S.
Case ID:	DS-001
Date:	2026-10-01

Purpose of Recording

1. **Client self-reinforcement:** Listen to the therapy portion between appointments.
2. **Progress tracking:** Review session content and track progress over time.
3. **Clinical documentation:** Support accurate session notes and treatment planning.

What Will Be Recorded

- The **therapy portion only** (induction, deepening, suggestion work, emerging).
- Consultation and discussion portions are **not recorded** unless separately agreed.
- Audio-only (no video) unless otherwise specified.

Terms and Conditions

1. **Personal use only:** Do not share, distribute, upload, or publish the recording.
2. **Storage:** Store on an encrypted or password-protected device only.
3. **Deletion:** Therapist deletes their copy within 30 days of program completion.
4. **Confidentiality:** Recordings are treated as protected information consistent with applicable privacy standards.
5. **Supervision:** If you are receiving services through a community service or training program, recordings or session content may be reviewed with clinical supervisors for educational and quality assurance purposes. Your identity will be protected.
6. **Revocation:** You may revoke this consent at any time in writing.
7. **California law:** Two-party consent state (Penal Code §632).

Safety Warning:

- **Never listen while driving or operating machinery.**
- Listen only in a safe, comfortable environment.
- Do not allow others to listen — suggestions are personalized to your profile.

Community Service Program Disclosure

If you are receiving services through a community service or training referral program:

- The therapeutic relationship is **separate and independent** from the referring institution (e.g., HMI, AHA). The practitioner is not an employee of the referring organization, and they do not exercise control over professional services.
- Session content may be discussed with **clinical supervisors or instructors** for educational and quality assurance purposes. Your identity will be protected using initials only.
- Information shared in sessions is **not protected by psychotherapist-patient privilege**, as the practitioner is not a licensed psychotherapist.
- After any initial complimentary sessions, paid services (if applicable) are provided under a private agreement between you and the practitioner. The referring organization does not participate in or receive payment for those services.

Client Consent

☐ I consent to audio recording of the therapy portions of my sessions.

☐ I will not share or distribute recordings.

☐ I will store recordings securely.

☐ I understand the safety warnings.

☐ I understand I may revoke this consent at any time in writing.
